H. F. Timmons, Ph.D.
Dean School of Health Sciences

Dr. H. F. Timmons, since 1956 a faculty member and administrator at Southwestern, was appointed Dean of Health Sciences in March, 1980. He was acting Dean of the School of Health Sciences from June, 1979; prior to that time he had served seven years as Associate Dean of the School of Pharmacy and has twice served as acting Dean of the School of pharmacy.

Dr. Timmons first came to Southwestern as an instructor in the Department of Biological Sciences. He continued his graduate education in the summers and completed the requirements for the Ph.D. degree in physiology from the University of Oklahoma in 1963. In 1965 he became a professor of pharmacology and physiology in the School of Pharmacy and a year later was named as the head of the School's physiology department.

Southwestern Pharmaceutical Association

Southwestern Pharmaceutical Association is devoted to the professional and ethical advancement of pharmacy students. We have recently become a chapter of The Academy of Students of Pharmacy. The Academy was organized to aid and support the objectives of the American Pharmaceutical Association; to promote the interests of student members of the Association; to teach student members the affairs of the Association and the profession; to provide a forum for student opinion on pertinent Association activities and policies; and to strengthen the program that converts student members to active members of the Association upon graduation so they will continue to participate in programs for the advancement of the profession of pharmacy.

This year's events included the annual hamburger cookout, labcoat and ID card sales, Homecoming float competition, patient counseling competition, the Christmas party, and the Senior Banquet. We also sponsor many speakers throughout the year who speak on various issues pertaining to pharmacy as a profession.

Institutional Pharmacy Association

The Institutional Pharmacy Association is dedicated to increasing student awareness of hospital pharmacy as a viable career option. Students who join IPA become affiliate members of the Oklahoma Society of Hospital Pharmacists, able to attend OSHP meetings and activities. These opportunities allow students to make contacts that could provide employment.

Monthly meetings feature speakers with hospital pharmacy related topics. The November meeting serves as a joint IPA-SWPhA-OSHP meeting, attended by OSHP practitioners in the Western District of Oklahoma.

The Association sponsors tours of hospitals and provides assistance to students wishing to make hospital pharmacy-related trips to statewide meetings. A picnic in May closes out the year and serves as a forum for election of officers for the coming year.

KE's purposes and goals **both** locally and nationally, are to unite women students in pharmacy, cooperate with faculty, to **stimulate** in its members a desire for high scholarship, to **foster** professional consciousness, and to provide a bond of lasting interest, loyalty, and friendship.

The Alpha Beta chapter initiates new members each semester. Several social events **throughout** Rush and Pledgeship build friendships **between** both new and old members **and** also enhance relationships between KE and other **pharmacy** fraternities at SWOSU. Professionally, KE responds both to pharmacy students and the community.

Support and guidance for the Alpha Beta chapter is provided by Dr. Keith Reichmann and Dr. Ed Wanek.

Kappa Psi has the distinct honor of being the oldest and largest professional pharmaceutical fraternity in the nation. The Delta Beta Chapter of SWOSU is very interested in promoting pharmacy and professional attitudes in its members and the community. Projects this year include: hypertension screening at the State Fair of Oklahoma, collecting pharmaceuticals for the Pharmaceutics IV lab, and providing a School of Pharmacy Phone Directory to the students.

Kappa Psi also has its share of fun including a Homecoming Party in the fall and a Spring Picnic. The members are also involved in intramural sports.

The Kappa Psi Wives is an auxiliary organization of the fraternity which helps with many of the activities, including a Christmas Banquet for the members.

Phi Delta Chi

The objective of the Phi Delta Chi Fraternity is to advance the practice of Pharmacy and to foster and promote a fraternal feeling among its members. The Alpha Omega chapter of Phi Delta Chi at SWOSU fulfills this objective each year. The Alpha Omega chapter is involved in many community services which allows its members to interact with the residents of the Weatherford area.

The Alpha Omega Chapter is proud to have received the President's Trophy for the second year in a row. This award is given to the organization on campus which does the most for the community. The award is merely a bonus for community services, for the true reward is the promotion of Pharmacy and the SWOSU School of Pharmacy to the public.

Phi Delta Chi's community services, scholastic achievements, and fraternal spirit combine to make Phi Delta Chi the leaders of Pharmacy at SWOSU.

Operating Modern Food
Stores and Pharmacies
Throughout Kansas.

Who depends on Eckerd Pharmacists?

Over 54 million people every year.

Why? At Eckerd, our dedicated pharmacists do more than fill prescriptions. They help people get the health care they deserve and offer helpful advice on health concerns. And, they've helped in saving lives, too. For instance, in 1988, over 540,000 Hemoccult test kits were dispensed and over 84 cases of cancer were reported. If you've chosen a career in pharmacy, and it's because you care about people, think of Eckerd. When we say ***to an Eckerd Pharmacist nothing's more important than your health, we mean it!***

Eckerd
salutes the
50th
anniversary of
Southwestern
Oklahoma.
